Guidelines for the Viva:

Document Submission: Submit two hard binding copies of project report and other necessary documents to their respective department till **14th July, 2023.**

Presentation: Each student will be allocated a specific time slot to present their project to the evaluation panel. Prepare a concise and informative presentation highlighting the project objectives, methodology, results, and conclusions.

Demonstration and Questioning: You should be prepared to demonstrate the practical implementation of your project, if applicable. Ensure that all necessary equipment like laptop, pen drive and other resources are arranged in advance. The evaluation panel will ask questions related to your project to assess your understanding and ability to explain its various aspects. Be prepared to answer both technical and conceptual queries.

Dress Code: Please ensure you are dressed formally for the viva examination.

Punctuality: Arrive at the venue at least 15 minutes before your scheduled time slot. Latecomers will not be allowed for external viva.

Students note that it is essential to be well-prepared, confident, and demonstrate a comprehensive understanding of your project.
